

Data Science and Analytics

Complete course details - curriculum, eligibility, projects, career outcomes and more.

DURATION

6 Months

MODE

Online / Offline

LEVEL

Beginner to Advanced

PRICE

Rs. 55,000 (Rs. 13,750/mo)

RATING

4.8 / 5

ENROLLED

980+ students

Program Overview

Transform data into actionable insights. Learn Python, SQL, statistical analysis, data visualization, machine learning, and business intelligence tools.

Eligibility

Any graduate. No prior coding experience required.

Course Highlights

- Industry-recognized certification
- 8+ real-world projects
- Power BI and Tableau training
- Placement assistance
- Lifetime access
- Expert mentorship

Module-Wise Curriculum

MODULE 01 Python Fundamentals

Python basics, data types, control flow, functions, OOP, file handling

MODULE 02 SQL and Databases

SQL queries, joins, subqueries, window functions, database design, PostgreSQL

MODULE 03 Data Wrangling

NumPy, Pandas, data cleaning, feature engineering, data transformation

MODULE 04 Data Visualization

Matplotlib, Seaborn, Plotly, Power BI dashboards, Tableau stories

MODULE 05 Statistics for Data Science

Descriptive statistics, probability, AB testing, regression analysis

MODULE 06 Machine Learning

Scikit-learn, regression, classification, clustering, model evaluation

MODULE 07 Big Data Basics

Hadoop, Spark, MapReduce, distributed computing concepts

MODULE 08 Capstone Project

End-to-end data science project with real-world dataset and business presentation

Hands-On Projects

- 1. Sales Dashboard using Power BI
- 2. Customer Segmentation Analysis
- 3. E-Commerce Data Pipeline
- 4. Real-time Analytics Dashboard
- 5. Predictive Maintenance Model

■ Technologies and Tools

Python, SQL, Power BI, Tableau, Excel, Apache Spark, Hadoop, MongoDB
Jupyter, VS Code, Git, PostgreSQL, Snowflake, Airflow

■ Career Opportunities

- Data Scientist - Rs. 7L to Rs. 22L PA
- Data Analyst - Rs. 4L to Rs. 12L PA
- Business Intelligence Analyst - Rs. 5L to Rs. 15L PA
- Data Engineer - Rs. 8L to Rs. 20L PA
- Analytics Manager - Rs. 12L to Rs. 25L PA

■ Certification

IUC Edu Data Science Certification + Microsoft PL-300 Exam Preparation
